

How to sew Cathedral Window Priscilla

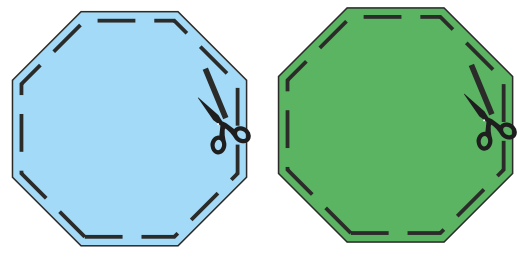

step 2 -put right side together

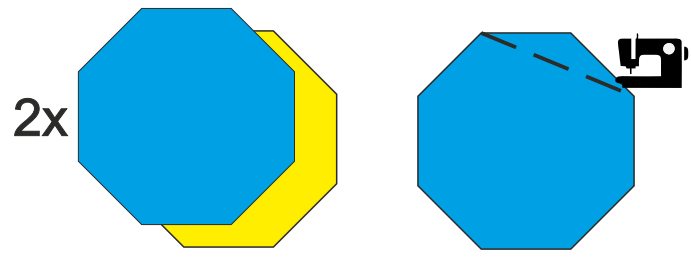

step 3- sew around 1/4" seam allowance

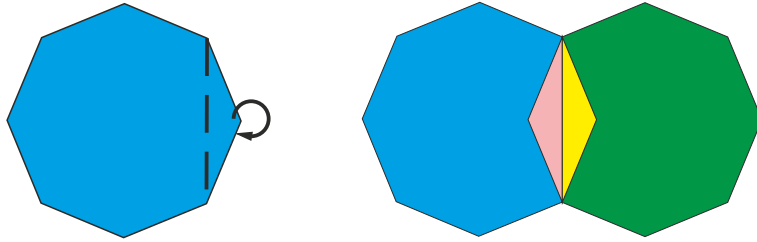

step 4 -put the template and draw line in the slit of template. Cut on this draw line very careful on of one top layer. Flip over to the right side and iron it.

step 5 - put the template on the octagon of fabric and mark with a pencil 4 points in 4 holes. Draw lines from dot to dot. Make a square inside the octagon of fabric - this are sewing lines

step 6 - open up and fold down

step 7 - repeat this process for the next pieces.
